The requester must provide sufficient detail on the request form to enable the head of the private body to identify the record and the requester. The requester should also indicate which form of access is required. The requester should also indicate if any other manner is to be used to inform the requester and state the necessary particulars to be so informed

The requester must identify the right that is sought to be exercised or to be protected and provide an explanation of why the requested record is required for the exercise or protection of that right.

If a request is made on behalf of another person, the requester must then submit proof of the capacity in which the requester is making the request to the satisfaction of the head of the private body.

#### **Fees**

A requester who seeks access to a record containing personal information about that requester is not required to pay the request fee. Every other

requester, who is not a personal requester, must pay the required request fee:

The head of the private body must notify the requester (other than a personal requester) by notice, requiring the requester to pay the prescribed fee (if any) before further processing the request.

The fee that the requester must pay to a private body is R50. The requester may lodge an application to the court against the tender or payment of the request fee.

After the head of the private body has made a decision on the request, the requester must be notified in the required form.
